Fenagh Newtown Nurney Senior Citizens group have just finished having 13 Panic alarms installed for our senior citizens. Emergency Response in Bunclody have contacted us, asking us to remind all recipients of alarms to press their button at least once a month to check in with them. This ensures that everything is working properly. It would be too late to find out your alarm was faulty when needed in an emergency. Just press your button & they will be delighted to talk to you. We urge our senior citizens or a member of their families to do this regularly as it is very important. If there is a senior citizen in the area who needs an alarm please contact Maria at 0872369031 asap. The government give a grant for this alarm, it costs the recipient €50 for the first years monitoring & maintenance and €80 from year two onwards. One lovely couple told me they had started putting €1 weekly in a jar and you know this is a very good idea.
