Day for Life 2022 – Caring for the Older Person (Sunday 2nd October)

Day for Life is celebrated annually by
the Catholic Church in Ireland,
Scotland, England and Wales. It is a day
dedicated to raising awareness of the
meaning and value of human life at e
very stage and in every condition. This
year's Day for Life will be celebrated in
Ireland on Sunday 2 October on the
theme 'Caring for the Older Per-
son'. We invite people to think again
about the value and worth of older
persons in families and in society, and
to make practical choices to build
bridges between the generations. We
call for people and parishes to devote
quality time, energy and creativity in
caring for the older persons in our
communities. We invite engagement in
political debate on providing adequately
resourced care of older persons so that
no-one feels like a burden in our
society. Saint Joachim and Saint Anne –

message for Day for Life in full,

Transmitting Faith in Contemporary Culture

In processing the diocesan synodal
reports the ACI steering group concluded
that no issue seemed of greater concern
than the growing absence of young people,
including younger parents, from regular
weekly liturgies - even before the onset of
the Covid 19 pandemic in the spring of
2020.

A zoom gathering has been organised by
the Association of Catholics in Ireland
takes place on **Thursday October 6th,
2022 at 8:00 pm**. Professor Michael
Conway (Professor of Faith and Culture,
Pontifical University, St Patrick's College,
Maynooth) will present his own view of
the issue of faith transmission today, and
will be followed by open discussion.

All are welcome to join in.
