### **SOME HINTS ON GETTING MARRIED**

At the time you enquire about the hotel etc. Check the Church to avoid disappointment. At least 3-6 months Notice is now required by Church and the State, so call to the Priests earlier rather than later. We suggest that as soon as you finalise plans, to contact the Registrars Office on [www.crsappointments.ie](http://www.crsappointments.ie) for an appointment. For more info go to [www.groireland.ie](http://www.groireland.ie). (Failure to give 3 months notice will necessitate going to the court for permission). Marriage is a very serious step and good preparation is advised. Both Church and State recommend some Pre-Marriage preparation. The Church offers Pre-Marriage Courses. They are available in Carlow. [www.accord.ie](http://www.accord.ie) Many people have booked their marriage well in advance. We suggest you make an appointment to meet the priest that you wish to do your wedding about 3-6 months before your wedding date to sign Church forms and arrange the Ceremony. If one of the partners is getting married outside their parish they need to call to see the priest of their parish to sign Marriage Form, get current Baptism & Confirmation Certificates and Letter of Freedom. If couple coming home from outside Ireland they should see Priest in the country they live in who will send papers to the respective Bishops who will send them to the Priest in Bagenalstown. In Bagenalstown parish Weddings may be at times & dates requested. No weddings on Sundays, Holy Days, or Holy Thursday, Good Friday, or Easter Saturday. Please feel free to call to Parish Office or any of the Priests who will be most willing to help you make a happy and Blessed Day.

### **All-Ireland Pollinator Plan**

Local communities can lead the way in creating an Ireland where pollinators can thrive. Our bees and other pollinating insects are in trouble. The good news is that you can help by making your garden pollinator friendly. Every garden, no matter its size, can be a haven for hungry pollinators. Download the set of pollinator friendly garden guidelines [www.pollinators.ie](http://www.pollinators.ie)
