Rewilding Church: Creating Spaces to Nurture Faith

Patricia Higgins

Zoom - Thu June 1st at 8.00 p.m.
Could the image of 'rewilding' offer hope to those concerned about adult faith development? In environmental terms rewilding is defined as a process that's nature-led and human-supported. Would an analogous 'lay-led' process of creating spaces to nurture faith be a way forward for faith? Patricia Higgins thinks so. To join us on Thursday June 1st at 8.00 p.m. click the link below:
