are currently compiling this year's edition. Due to the increased cost of printing, they will be restricting the volume to 60 pages as they don't want to increase the cost of the book. The first articles received will get priority and you are asked to keep them short otherwise they may have to be edited. You can email them direct to

There is a few copies of this year's book left. To get one phone Michael on 087-2675661.
